Church and Mission

PARISH – We pray that we would continue to take seriously the call to forgive others.

PARISH – We pray that our Parish Council will have wisdom and discernment as they prepare next years budget.

PARISH – We give thanks for the ministry that Greg has with the chaplaincy of Girton.

PARISH – We pray that we will be great hosts and good witnesses as people come through our doors during the election and Christmas season.

ANGLICAN COMMUNION – We pray that our communion will pursue faithfulness to God in the authority we give to bible and the doctrine which flows from it.

DIOCESE – We pray for the Registrar/
Business Manager – Naomi Fountain

MISSION – We pray for the work of Tear, that they will be effective and efficient in their care for the poor and marginalized.

PERSECUTED CHURCH – OMAN – Islam is the state religion of this absolute monarchy, it dominates society, politics, the legal system and education. There is very little violence against Christians, but great pressure, as many citizens, especially Christians, live under constant surveillance, and can lose their homes, jobs and even their children. Pray for the small Christian church in Oman, that its members will continue to serve the Lord in difficult circumstances, also that new believers will be given the strength to continue despite suffering.

World

PAKISTAN- We pray for calm in this nation as Christian woman Aasia Bibi is cleared of Blasphemy charges and released from prison and death row.

ROHINGYA- We pray that this people group will find a suitable place to permanently settle and that they will be safe.

PITTSBURGH – We pray for the Jewish community that are grieving after the mass shooting at their synagogue.

YEMEN – We pray for those who are fleeing across the Red sea to escape war, that they will have safe passage and find a suitable place to find refuge.

INDONESIA - We pray for the people of this country who are mourning after the recent plane crash and natural disasters.

Australia and Local Community

We pray for all levels of government to lead with wisdom, integrity and fairness, for the good of all. (this week we focus on the local level and pray for the Mayor, Margaret O'Rourke, and for all members of the Council.)

We give thanks for our recent rain and we pray that more will come, especially to those places in most need. Send rain Lord.

We pray for our state as we begin to thoughtfully consider who we will vote for at the next election.

We pray for the small businesses of our town – for their prosperity and that they might continue to be a good source of employment.

We pray for those sitting their University and VCE exams – for peace of mind and recall of all that they have learned.
